

500 Mile Club

This is a program designed to help encourage travel between chapters within the Jurisdiction of Indiana. To qualify for this program, a chapter must travel 500 one-way miles during visitations.

For miles to count toward this program, the visitation must meet the following criteria:

- The event being visited must be hosted by a chapter within Indiana DeMolay. This means that visitations to chapters outside of Indiana do not count toward this program.
- You can only count miles for two visits to the same chapter during the year. These two visits must be for two different reasons (example: one Installation and one Stated Meeting).
- A chapter must bring at least two advisors and two active DeMolays on the visitations for them to count toward this program.

A chapter will receive 10 bonus miles for every 2 members they bring above the minimum (for example: if a chapter brings 6 members they will receive 20 miles in addition to the number of one-way miles traveled). At the end of the year, all of the chapters who qualify for the program will be recognized at Conclave and the top three chapters according to mileage will receive awards for 1st, 2nd, and 3rd place.

Visitations must be reported at IndianaDeMolay.org
