REQUIREMENTS

The PMC-MSA in Indiana - Pause and Consider This

Nearly every member of the Order of DeMolay has the worthy ambition of serving his chapter as Master Councilor. When this goal is in sight as you progress through the Councilor's chairs, you should set another goal - that of earning the PAST MASTER COUNCILOR'S - MERITORIOUS SERVICE AWARD.

While the newly elected Master Councilor is the only one qualified to apply for and to achieve the award, he cannot do it alone. The requirements can only be met through the combined efforts of the entire Chapter. The Master Councilor must provide the leadership and incentive to inspire and stimulate his fellow DeMolays toward a well rounded program and over-all efficiency in chapter activities.

Even though it is the Master Councilor who proudly wears the PMC Meritorious Award Jewel, in a deeper sense it is recognition of all the members of the chapter who have worked together for a greater DeMolay. For this reason, the International Supreme Council has authorized a special Certificate of Merit for the Chapter to display as recognition of the team effort necessary for achievement of this award.

The PMC Meritorious Service Award was originated by the Founder of the Order of DeMolay, Dad Frank S. Land. He recognized the tremendous advantage gained by the Master Councilor in having a preplanned program for his term of office. When such a program has been planned and distributed to the chapter membership in printed form, the Master Councilor has gone a long way toward achieving the goals he has set. Thus, Dad Land wrote the qualifications for the award and designed the beautiful jewel which is now so proudly worn by those who have accomplished success in their term as Master Councilor.

We hope that you, too, will qualify for this coveted award and to help you in your efforts, guidelines have been suggested on the following pages. Our goal, here in Indiana, is to have every incoming Master Councilor apply for the PMC-MSA. That would insure that each and every Chapter has a planned program of activities, and the Chapter members are aware of the Chapter programs. With this goal in mind, the following information is provided so that every Councilor is fully aware of the requirements and procedures to apply for and qualify for the PMC-MSA. Read carefully, as the requirements are very strict and will be fully enforced in order to maintain the high standards of this award program.

GOOD LUCK

HOW TO APPLY

INITIAL LETTER & FORM.

Attached is the Form Letter and Application Form which must be filled in and signed by the requested individual. These must be sent to the Director of the PMC Meritorious Service Award Program no later than 10 days after your installation as Master Councilor. A Form 11 has also been included and must be attached to your Application Form or be sent to Indiana DeMolay Foundation within the same 10 day time period. These pages must be complete including all required signatures, or the entire package will be returned which will only delay your admission into the program.

I suggest that you retain a copy of all correspondence, forms and letters you submit. In this way, should any item(s) be lost in the mail, you will always have a second copy to which you may refer should the need arise. . Also, copies will assist you in reviewing your plans as your term progresses. In this manner, changes and updating of plans may be noted on your copies as the need arises. This will greatly assist you in formulating your Final Letter.

SECOND (OR FINAL) LETTER

Upon completion of your term as Master Councilor you must submit a second or Final Letter outlining your term and covering in detail how you have met each requirement. We have NOT included a sample letter with this packet. It is felt that it is better for the individual to submit his thoughts in his own style. The vital thing is that you cover each and every requirement so the Director of the Program may easily see that each has been met. See the section marked "Common Problems" and the "Checklist for Final Letter" to be sure each item is covered.

Remember to obtain the same signatures as with the first letter and that your letter and summary are sent within TEN (10) days of the installation of new officers. It is also necessary that a copy of your term plan with all the revisions from the original plan submitted with your Letter of Intent and Application, be attached with your Final Letter.
